Robert Terry Earns PHTA Certified Master Pool Builder and Design Professional Certification

[Gold River, CA—March 2024] Robert Terry of Majestic Builders has earned the Certified Master Pool Builder and Design Professional (MCBP) certification. He joins a community of current Certified Pool Builders (CPB) who aspire to higher standards of practice in the pool and hot tub profession.

The Certified Master Pool Builder and Design Professional is an elite professional who has demonstrated quality, professionalism, ethics, and business prowess. A Master CPB has completed elevated courses in master design methods, history of pools and water features, and advanced construction. This certification is reserved for the upper echelon of our industry.

The MCBP is the fourth and highest level of certification in the PHTA Certified Pool Builder and Design Professional Pathway, an education and certification career pathway designed to build upon knowledge in order to become a Certified Master Pool Builder and Design Professional.

About the Pool & Hot Tub Alliance

The Pool & Hot Tub Alliance (PHTA), a non-profit organization with nearly 4,000 members from around the world, was established in 1956 to support, promote, and protect the common interests of the \$36.5B pool, hot tub and spa industry. PHTA provides education, advocacy, standards development, research, and market growth to increase our members' professionalism, knowledge and profitability. Additionally, PHTA facilitates the expansion of swimming, water safety and related research and outreach activities aimed at introducing more people to swimming, making swimming environments safer and keeping pools open to serve communities.
